Libby and Overdrive

Here's a quick guide on how to use Saxton B. Little's new digital eBook and eAudiobook platform, Libby!

Libby is the app version of OverDrive. It contains both eBooks and eAudiobooks. To access your account, you'll login using your Saxton B. Little library card number and your PIN. Your PIN is the same as your password to access your account in our library catalog. It's usually the last four digits of your phone number, unless you've changed your password.

OVERDRIVE INSTRUCTIONS

If you want to use OverDrive on your computer, visit <u>https://saxtonblittle.overdrive.com/</u> (Scroll down if you're looking for instructions on how to use Libby.)

If you'd like to browse by genre, click on "Subjects" on the top left-hand side of the screen:

Then, choose the genre/subject that most appeals to you, or browse through all available titles:
